## STUDENT AND ATHLETIC INSURANCE PLANS

**SCHOOL-TIME STUDENT ACCIDENT COVERAGE:** Protects your students the entire school year, during regular school sessions, as well as participating in other school-sponsored activities requiring the attendance of the student. Protects your students while traveling directly to or from the student's Residence and school to attend or participate in school activities. The expiration date of coverage shall be the close of the regular nine month school term, except while the Insured is attending academic classroom sessions exclusively sponsored and solely supervised by the school during the summer.

**24-HOUR-A-DAY ACCIDENT COVERAGE:** Protects your students 24-hours-a-day, year-round and continues until the end of the Policy Year. The student is protected AT HOME, AT SCHOOL, AT CAMP, ON VACATION. . . ANYWHERE ACCIDENTS CAN HAPPEN.

**SPORTS ACCIDENT COVERAGE:** Interscholastic sports (including practice) are covered by the School-Time and 24-Hour-A-Day Accident Coverage only if the required additional premium is paid. Travel is also covered when going directly and uninterruptedly to and from practice or competition when traveling as a group in a Designated Vehicle. High school tackle football for grades 9 through 12 is only covered by the optional Football Only Accident Coverage, which requires an additional premium.

**FOOTBALL ONLY ACCIDENT COVERAGE:** Players in Grades 9 through 12 are covered for accidents occurring while participating in high school interscholastic tackle football practice or competition. Travel is also covered when going directly and uninterruptedly to and from such practice or competition when traveling as a group in a Designated Vehicle.

**EXTENDED DENTAL EXPENSE:** For an additional premium, Extended Dental Expense increases the maximum benefit for Injury to Sound, Natural Teeth up to \$5,000.

**EFFECTIVE COVERAGE DATES:** Coverage will be effective on the date of premium receipt by the Company, its representatives or school officials, or the official first day of school, whichever is later.

For interscholastic sports, coverage can pre-date the official first day of school for students who are participating in pre-school practice sessions, competitions or covered travel. In such cases coverage will be effective as of the date of premium receipt but only while participating in actual practice sessions, competitions or covered travel. Other aspects of coverage will not commence until the official first day of school.

Football Only Accident Coverage begins on the date of premium receipt by the Company, its representatives or school officials, but not prior to the first official date of practice sanctioned by the State High School Association and continues through the date of the last official game of the current season, including playoffs. Other aspects of coverage will not commence until the official first day of school.

**EXCESS PROVISION:** All Covered Charges over \$100 will be considered for payment on an Excess basis if any Other Valid and Collectible Insurance or Plan covers the Insured person. The Company will pay the first \$100 in Covered Charges regardless of other insurance.
